

Two Additional Bathroom Routes

1. Up the BACKSTAGE STAIRS to the bathrooms at rear of stage
2. Staying on level ground, go through the theater, a distance of 290'

Possible issues:

1. Access to side entrance doors of theater may be limited when theater not in use or during after hours
2. Theater may be in use
3. Theater may be dark (unlit), and unsafe to use as a passageway to the bathrooms in the main lobby or to the backstage bathrooms

Scale: Length of north wall is 74'

Backstage Route is 120'
